

## Joboffers for specialists in Family Medicine in Borås/ South Sweden

Närhälsan is offering employment for specialists in Family Medicine in primary health care centers in rural areas. The modern and well equipped primary care centers are located in Tranemo and Skene close to Borås. The team of the centers are responsible for over 10 000 inhabitants and have approximately 30 employees including family doctors, nurses, physiotherapists, psychologists, laboratory staff, and assistants. There is a close collaboration with the hospitals in the region, which are part of the same public health care organization in the Västra Götaland County Council. Närhälsan is the biggest public primary healthcare organization in Sweden.

### The offer:

- Permanent contract after the introduction period, continuously adjusted salary during the process
- Study tour to Sweden after a first interview, to learn more about the region and the work conditions
- Help to find: apartment, school and kindergarten, language course/employment for the partner
- Assistance with removal and relocation costs
- Support to learn Swedish up to B1- level in Greece
- Intensive 12 weeks Swedish course to level B2 in Sweden with paid salary
- 8 months introduction at the clinical training center in Fristad
- Training courses and seminars in clinical practice, lectures within working hours
- Flexibility to control the flow of your day on the long term. Opportunity for research if desired
- Large local Greece network group established in Borås town

### Requirements:

- Specialist title in family Medicine
