

# Work in one of Northern Europe's largest wildlife enclosures

Like an African lodge in South of Sweden. Eriksberg Hotel & Nature Reserve have for several years in a row been selected the best restaurant in the region Blekinge.

Eriksberg is situated in the archipelago and a visit to one of our restaurants is a gastronomic experience for all the senses, with a personal reception and harmonious atmosphere that follows the cycles at Eriksberg. The game from our estate is naturally central to our menus.

At Eriksberg we take care of everything from slaughtering to butchering in our own abattoir here at Eriksberg. It's a major advantage to be able to follow the whole process, from forest to plate, to maintain a high level of quality in the meat.

We have two restaurants, one of them is located in the classic manor house. Here we serve five course menus and seats 70 guests. In the larger restaurant we can seat up to 220 guests and serve à la carte and buffets during the summer.

**For the summer 2019 we are looking for chefs and serving staff to the kitchen and restaurant.**

You have at least five years of experience, you can work independently, take your own initiative, be flexible and work irregularly. Drivers licence required.

We have some accommodation in the park and we can also help to find accommodation nearby. We apply salary according to agreement. Welcome with your application to e-mail [malin.nilsson@eriksberg.se](mailto:malin.nilsson@eriksberg.se)
